**The Paradise Radio Yacht Club in 2017.**

PRYC was formed in 2008. Under its Constitution the Club was established to promote **racing** of radio controlled yachts.

Racing is conducted at Emerald Lakes and Clear Island Lake. This involves around 50 skippers competing in four classes on four days of every week. The success of this programme depends on the support and input from all members, rather than the effort being "left to the few".

Good competitive racing requires participants to have knowledge of the rules of sailing; as such the Club expects members to:

- Abide by World Sailing's Racing Rules of Sailing, and to undertake to have access to a suitable personal copy of the Rules. Copies are available from the Sailing Secretary or at [www.sailing.org/documents/racingrules](http://www.sailing.org/documents/racingrules).
- Participate in Club activities in good humour and a spirit of fair play.
- Abide by the Club's Standard Sailing Instructions when competing in any PRYC race in any fleet, and in any other sailing activities where the SSI are applicable. Copies of the SSI are available from the Sailing Secretary.
- Assist with equipment set up and dismantling on sailina days whenever possible.
